

FRIENDS OF FATHER CAFFAREL

Law of 1901 Association for the promotion of the cause of Canonisation of Father Henri Caffarel

Letter to Correspondents: November 2013

Dear Friends,

I am writing to you again to reiterate the request I made to you last June.

I was lucky enough (and I find it is always a moment of grace) to be able to talk about Father Caffarel to many Team members. Team members always wish to hear more about the man who founded this great Movement of conjugal spirituality and who bore witness to the power of prayer and private prayer. It has been proven that when Father Caffarel's voice was heard, with its high-pitched sound, everyone listened and was moved.

Throughout my travels, I always meet people who pray to Father Caffarel and who have been deeply moved by him.

I therefore request you to kindly seek out testimonials about the role of Father Caffarel in the life of Team members. Many Team members have things to say and it is important not to forget these lights that the Lord gives through the intercession of Father Caffarel to encourage those who walk along the way of marriage and prayer. It is important to tell us about the graces received.

If you agree, I will put these testimonials in the file that will be sent to Rome for the promotion of the Cause for Canonisation, where Beatification is the first step, as you know.

News about the Cause? The first stage is almost complete. The historians still have some work to finish. Then the file will be sent to Rome for the second stage, which will be explained to you shortly.

Rest assured of my prayer for you. We form a large family and we wish to demonstrate everywhere that God is love.
